

# DLVEWS, Inc.

Aerix Industries is proud to introduce Don LeBlanc as our new independent northeastern states sales representative. He is a graduate of the University of Maine with a B.S. in Civil Engineering and he is a registered professional engineer in Maine. He has been in the industry for 10 years working with contractors, owners, DOTs, and municipalities. Don has presented to many engineering firms on lightweight cellular concrete and culvert rehabilitation. Please feel free to contact Don with any inquiries.

DLVEWS specializes in culvert rehabilitation and lightweight cellular concrete fill applications. Their commitment is to provide **Value Engineered and Earthwork Solutions** to owners, engineers, and contractors.
